

Our Mission:

Together we build homes, community, and hope. Below are a few examples of our vibrant community partnerships.

Auburn University Building Science (BSCI)
Each Fall, seniors in BSCI partner to frame a home. Each Spring, seniors in BSCI complete the exterior work.

Auburn High School Building & Construction
Students learn house framing skills each year by building an 8x10 storage building for a Habitat homeowner.

AHS Work-Based Learning HFH Partnership
Jacob Powell, Construction Project Management Intern, Lucy Zuniga and Andrew Faircloth, Media Tech Specialists and Grant Writers.

New Community Partner
Thank you Stone Martin Builders Team for sponsoring and building home #72 "A Home for Christmas" 2022 and for leading on the construction of homes #74, 75, and 76 in 2023 in Opelika.
