Auburn Opelika Habitat for Humanity (AOHFH) is an affiliate of Habitat for Humanity International (HFHI). When you give to AOHFH Capital Campaign, 100% of your money goes towards building local homes for hard working families in our community.

Habitat for Humanity International has begun a tremendous marketing campaign through direct marketing, including: newspapers, TV, and online solicitation.

When you give to Habitat for Humanity International, you will help support the building of homes across the world and a portion of your gift help Auburn Opelika Habitat for Humanity with our local building.
