

Additional Habitat Homes built in 2025

Homes #79, #80, #81, #82

Home #79:

We are building Home #79 in Auburn this fall in partnership with the City of Auburn, Auburn University McWhorter School of Building Science, and others!

Homes #80, #81, #82:

We are partnering with the City of Opelika, Stone Martin Builders along with Trade Partners, and East Alabama Health to build three additional homes in Opelika. Thank you, City of Opelika and Stone Martin Builders for making nonprofit, affordable homes like these available to hardworking, qualified families in Opelika.
