

Partnering with Families:

Habitat for Humanity builds houses alongside families who put in hundreds of hours of their own “sweat equity” into their home. Their monthly mortgage payments

go into a revolving fund that helps construct more houses.

Our Mission:

Seeking to put God’s love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Our Vision:

A world where everyone has a decent place to live.

Our Principles:

Demonstrate the love of Jesus Christ, focus on Shelter, advocate for affordable housing, promote dignity and hope, and support sustainable and transformative development.

“Having a new home allows my family to create new memories in a place we can call our own. It is a dream come true to build my home with others.” – Briaunna Jones, Homeowner 2020

“It is very rewarding and very satisfying when you have community volunteers or neighbors of the families who are getting this house, out there helping.” – Phil Garrett, Volunteer Leader
